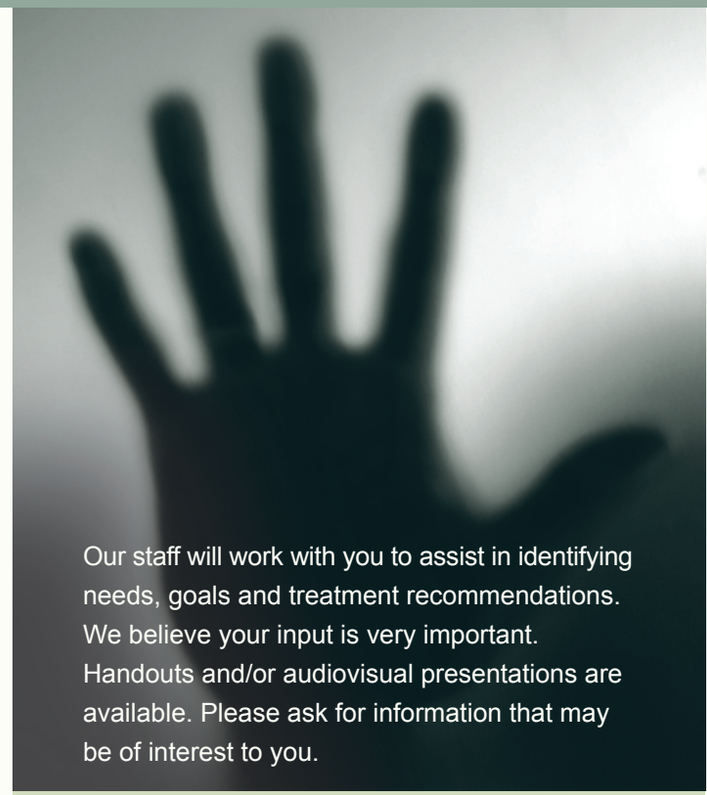
Staffing

Behavioral Medicine Service consists of psychiatrists, mid-level providers, psychologists, nurse specialists, socal work therapists, and addiction therapists.

Evaluation and Help



Our staff will work with you to assist in identifying needs, goals and treatment recommendations. We believe your input is very important. Handouts and/or audiovisual presentations are available. Please ask for information that may be of interest to you.

Appointments

When Behavioral Medicine Service receives a referral from your Primary Care provider you will be contacted and an appointment will be made at a time that is convenient for you. If an appointment is made without your knowledge, contact your Primary Care team.

Please arrive at least 15 minutes early and let us know if you have any address or phone number changes. If you cannot keep your appointment, please call and cancel. This will allow another Veteran to be seen.

Transportation

If you have no transportation available to make your appointment, contact the Veterans Transportation Service (VTS). Veterans Transportation Services must be contacted several days before your appointment to request a pickup. To schedule a pickup for your Muskogee or Tulsa clinic appointment, call the VTS Call Center at: 918-577-3500 or toll free at 877-905-4538.

Medication Refills

Medication refills may be ordered by mail, by phone or on line with My HealtheVet registration at this link: http://www.myhealth.va.gov/. Please order at least 10 days before refills are needed.

To order by mail, use the Refill Request Form. If you do not have refill(s) for medications prescribed by Behavioral Medicine Service that you have been instructed to take regularly, call the service at least ten (10) days before you run out.
Medications are not mailed automatically.

Ordering Refills by Phone

(You will need to use a touch-tone phone)
